About Us

MIT School of Distance Education (MITSDE) is a leading AICTE-approved institution offering world-class distance learning programs designed for today's working professionals, blending academic excellence with complete flexibility. MITSDE helps learners upskill and grow without interrupting their personal or professional lives.

Powered by a robust LMS, MITSDE delivers an engaging learning experience through high-quality video lectures, comprehensive study materials, and expert faculty support. Its diverse portfolio of **PGDM, PGCM, PGDBA, Executive PGDM and Dual Program** across Marketing, HR, Finance, Operations, Project Management, Supply Chain, Business Analytics, and more aligns with industry demands to drive real career growth.

With 100% placement support, industry-relevant curriculum, and personalized mentorship, MITSDE focuses on holistic development. By combining innovation with accessibility, it empowers learners to succeed in a competitive global landscape and turn education into a truly transformative journey.

Director's Message

Dr. Suhrud Neurgaonkar

Director at
MIT School of Distance Education

“

Nelson Mandela said, “Education is the most powerful weapon you can use to change the world.”

This belief drives everything we do at MITSDE.

We aim to empower learners with cutting-edge knowledge, practical skills, and the confidence to create meaningful change, both personally and within their communities. Every program at MITSDE is crafted to inspire, innovation and pave the way for success.

Our mission is to deliver flexible, high-quality education that transforms learners into capable, career-ready professionals. Through state-of-the-art technology, expert guidance, and a learner-centric approach, we ensure an engaging and impactful learning experience.

Guided by strong values, we focus on transparency, continuous innovation, and accessible learning that helps you thrive in a fast-changing world. With a vision to become a global learning leader, MITSDE is committed to enhancing skills, opening opportunities, and building brighter futures.

MITSDE Offerings

At MITSDE, learning goes beyond the classroom. Our ecosystem of career services, industry-led sessions, and hands-on training ensures every learner gains practical skills and real workplace readiness.

MOCS: MIT Office of Career Services

MOCS supports your growth through career guidance, skill-building workshops, and expert mentoring. It helps you build confidence, clarity and workplace readiness for real career progress.

MITSDE LABS

MITSDE LABS delivers hands-on, industry-focused workshops to build practical skills through real-world tools, case discussions, and guided learning.

MITSDE Bootcamp

The MITSDE Bootcamp offers intensive, application-driven training in Business Analytics and Digital Marketing through live, expert-led sessions.

Synergy Sphere

Synergy Sphere connects learners one-on-one with industry experts for meaningful conversations, insights and mentorship.

MITSDE Centre for Innovation & Entrepreneurship

The Centre for Innovation & Entrepreneurship fosters entrepreneurial thinking through mentoring, networking, and industry collaboration to support idea development and start-up growth.

Corporate Upskilling

**CENTRE FOR
STRATEGIC BUSINESS
EXCELLENCE**

The Centre for Strategic Business Excellence (CSBE), an initiative of MIT School of Distance Education (MITSDE), Pune, partners with organizations to build leadership capability, enhance strategic thinking, and drive measurable business outcomes. Anchored at the intersection of academia and industry, CSBE delivers purpose-driven learning solutions aligned with organizational goals. With a proven impact on 5,000+ professionals across 25+ industries and 100+ specialized programs, CSBE enables leaders to navigate change, foster innovation, and achieve sustainable business excellence.

Global Exposure

At MITSDE, learning goes beyond borders. Our global initiatives give students international exposure, multicultural perspectives, and access to world-class academic experiences that prepare them for global careers.

Through the **International Summer Internship Program (ISIP)** and strategic global collaborations, students can participate in short-term programs, seminars, and workshops at leading institutions across the **USA, UK, Europe, Malaysia, and more**. With expert guidance for international higher education pathways, including Master's and PhD programs, MITSDE empowers learners to confidently explore opportunities worldwide.

Career Opportunities

MITSDE programs equip you with strong managerial, analytical, and leadership skills through industry-aligned curriculum and practical learning. This prepares you to take on impactful roles across diverse industries and functions.

Career paths include:

- Project Manager
- Supply Chain Manager
- Marketing Manager
